out of these 7 Villages, item nos 5, 6 & 7, are "Bechirak" villages, without any village panchayet. The remaining four village panchayets have passed resolutions to the effect that without the orders of the Amildar, Mysore Dy, they will not permit erection of buildings in their respective villages

3) With a view to demarcate the area in each of the above villages wherein the ~~prohibition of the~~ erection of buildings has to be prohibited, the Deputy Commr Mysore Distr has recommended the employment

by a Revenue Surveyor on Rs 50 + 10 % T A per mensem, together with the usual "contingent" charges, for a period of six months in the first instance

This proposal has been approved by the Mysore City Municipal Council in their Resolution of 24-2-45

11 In August 1944, the Mysore City Municipal Council passed a resolution to the effect that the Government may be requested that to allow the erection of buildings etc within a radius of the present municipal limits without consulting the MCC when this was communicated to the D.C. Mysore, he replied to the MCC to the effect that if action has to be taken under Sec 9 of the Village Sanitation Act in respect of the villages coming under the purview of the above resolution, the area should be demarcated correctly and that, with a view to do it, a Surveyor on a pay of Rs 50 plus 4 D A etc might be deputed and that the necessary funds might be provided so as to enable earnest effort being obtained to the proposal

the Mysore City MCC have agreed to the proposal to appoint a Special

Surveyor wants Rs 50 + Rs 10 ? ? a etc for this work for such period as may be necessary. We do request Govt to sit for six months on the first instance

(2) It has been seen from the D.C's report dated 3.5.45 that there are seven villages which are included within the above limit of one mile among from the city limits, that any few of them are inhabited and that these villages have agreed by resolutions not to permit the erection of buildings within their villages, without the orders of the Authority in view of these resolutions, it is easy to issue a notification under Sec 29 of the U.P. Act to the effect that no buildings should be constructed within the limits of the several villages referred to above, without obtaining the previous permission of the D.C. Myrwah

(3) The point for consideration is whether it is necessary to restrict the area for the construction of buildings to a portion of the villages only, as that would mean demarcation & fetching of plans, even without such demarcation, it may be noticed as has been done in the case of those villages

(6) The proposal of the Mysore City Municipal Council, agreed to by the Deputy Commissioner, Mysore District, is, to prohibit the erection of buildings within a radius of one Mile, from the

the City limits, lying in the marginally noted 7 villages of Mysore Taluk, and to appoint a Special Surveyor to demarcate the area. Though Section - - 29(A) of the Village Panchayet Act requires the area, within which the buildings are to be prohibited, to be specified, it seems to be unnecessary to demarcate the area, by marking out the boundaries, etc., as the Deputy Commissioner and the Municipal Council seem to think. The area coming within a radius of one Mile, from the Municipal limits, in the 7 villages, referred to, can be conveniently specified, with reference to the survey numbers of the respective villages. In this view, there seems to be no need for the appointment of a Surveyor. As the Village Panchayets are stated to have resolved t prohibit the erection of buildings, I think a Notification may be issued under Section 29(A) of the Village Panchayet Act, prohibiting the erection of the buildings, without the permission of the Deputy Commissioner, Mysore District, in the area, within a radius of one Mile, from City Municipal Limits, after getting the - - - details of the survey numbers in the concerned seven villages.

Sir,

Subject Prohibition of erection of buildings in certain villages around Mysore City

I have the honour to state that the Deputy Commissioner, Mysore District, made a reference to this office in his letter No D6-C-4238/36-37 dated 30th May 1944, stating that under Section 29-A of the Village Panchayet Act the area within which the erection of buildings has to be prohibited should be notified in the Official Gazette, and before doing so, the particular area affected should be specified To demarcate the area, he proposed the appointment of a Surveyor on a pay of Rs 50/- plus F T A and deputation allowance and contribution charges, and requested that sanction of Government may be obtained to meet the expenditure out of municipal funds

The Managing Committee in their Resolution No 15 dated 18th July 1944 recommended the proposals of the Deputy Commissioner to the Council for sanction, and the subject was accordingly placed before the Municipal Council at their meeting on 29th July 1944, when it was deferred

The subject was again brought before the Council meeting on 26th August 1944, when it was explained to the House, the necessity for appointing the Surveyor, as suggested by the Deputy Commissioner to demarcate the area around the city limits within which the erection of buildings has to be prohibited.

After much discussion on the subject, the Council resolved to request Government not to permit the erection of buildings within one mile radius of the present Municipal limits, without consulting the Municipal Council I am submitting herewith, a copy of the said Resolution for favour of necessary orders in the matter

Deputy Commissioner, Mysore District,
Mysore.

To

Sir,

Subject:- Prohibition of buildings within one mile radius of Mysore City Municipal Limits.

With reference to your letter No.L.6859 dated 10-1-45 forwarding a copy of the letter No M5.33-152 dated the 6th September 1844, from the President, City Municipal Council, Mysore, for furnishing my opinion on the above subject, I have the honour to state that it is reported that seven villages noted on the margin come within the perview of the resolution of the Mysore City Municipal Council Out ot these seven villages, Belavatha, Hebbolu and kyathanahalli villages are bechanak villages having no village panchayets. The village Panchayets of the remaining four villages have passed resolutions to the effect that without the orders of the Amildar, Mysore Taluk, they will not permit the execution of buildings in their respective villages Copies of resolutions received from the Sub Division Officer, Mysore Sub Division, with his report No R5 174/44-45 dated 21st September 1945, are herein enclosed.

2. Kukkanahalli.
3. Siddalingapura.
4. Naganahalli.
5. Belavatha.
6. Hebbalu
7. Kyathanahalli.

(a)
Under the section 29/of the Village Panchayet act as the area within which the execution of buildings to be prohibited has to be notified in the official gezette, the particular area in each of the villages arround the Mysore City should be specified and demarcated. The work of the demarcating the area requires an officer, having experience in field measurement work Hence, the President, City Municipal Council, was requested to take necessary actions for the entertainment of a special surveyor for the work.

The Municipal Council have also approved the proposals of the managing committee of 18th July 1944 for the entertainment of a Special Surveyor on Rs.50+F.T.A. Rs.10/- per month together with the usual contribution charges etc , the of may be fixed by the comptroller A copy letter No.5011 dated 30th June 1943 received from the Superintendent of Land Records, Survey and Settlement in Mysore, Bangalore requesting to obtain sanction of Government for the entertainment of a Special Surveyor is also herein enclosed for kind perusal of Government.

In the circumstances, I am of opinion that the services of a Special Surveyor is quite necessary to demorcate the area to be prohibited from erection of buildings within one mile radius of the Municipal limits. As regards the period for which the appointment of the Surveyor is necessary, I am to state that no definite period can be fixed just at present. I would, however, request that necessary sanction of Government may kindly be obtained for the employment of a Special Surveyor for a period of six months in the first instance

Prohibition of Erection of buildings in certain villages around Mysore City.---

With reference to your memo.No.D6-4238/36-37 dated 21-1-45, calling for a report on the certain points in the above matter, I have the honour to state that the Amildar, Mysore Taluk reports in his No.V. P.C.86/45-46 dated 19-9-45 that the following villages come within the purview of the resolution of the Mysore City Municipal Council (that the Government should be requested to prohibit by notification the erection of buildings within one mile radius of the present Municipal Limits. without consulting the Muncipal Council) that out of these seven villages* (Alahanahalli, Kukkarahalli, Siddalingapura, Nanchanalli, Belavatta, Hebbalu, Kyathanahalli) are becharack ones and consequently have no village panchayets and the r maining four village panchayets have passed resolutions to the effect that without the orders of the Amildar, Mysore Taluuk, they will not permit the erection of buildings in their respective Villages. Copies of the resolutions passed by the Village Pnadhayets of Alahanahalli, Kukkarahalli, Siddalingapura and Nanchanahalli to the above effect are herewith enclosed for kind perusal Tne connected records (three files) are alsorreturned herewith for kind perusal Needful instructions have been issued to the Amildar, Mysore Taluk in this report.

Subj- Prohibition of buildings within one mile radius of Mysore city Municipal limits

Sir,

With reference to the correspondence ending with your letter No D 6 42 SS/36-37 dated 3-9-45 recommending the employment of a Sheristadar surveyor, for a period of six months in the first instance, to demarcate the area to be prohibited for the erection of buildings within one mile radius of the Municipal limits of the Mysore city I am directed to state that, though Section 29 CA of the Mysore Village Panchayet Act requires that the area within which the buildings are to be prohibited, should be specified it is necessary to demarcate the area by marking out the boundaries, etc The area coming

within the radius of one mile from the Municipal limits in the seven villages referred to, can be conveniently specified with reference to the survey numbers of the respective villages. In this view there is no need for the appointment of a Surveyor. The concerned Village Panchayats have also resolved to prohibit the erection of buildings in the areas.

In the circs I am to request you to forward a list of the survey nos in the seven villages referred to above which fall within the one mile radius referred to above.

The question may be kindly treated as extremely urgent and a reply furnished within last days.

The records accompany for reference and return with your reply.

S i r,

With reference to the correspondence ending with your letter No.D6.4288/36-37 dated the 3rd September 1945, recommending the employment of a Special Surveyor, for a period of six months in the first instance to demarcate the area to be prohibited from the erection of buildings within one mile radius of the Municipal Limits of the Mysore City, I am directed to state that, though Section 29(A) of the Mysore Village Panchayat Act requires that the area within which the buildings are to be prohibited should be specified, it is unnecessary to demarcate the area by marking out the boundaries etc. The area coming within the radius of one mile from the Municipal Limits in the seven villages referred to, can be conveniently specified with reference to the Survey Numbers of the respective villages. In this view there is no need for the appointment of a surveyor. The concerned village Panchayats have also resolved to prohibit the erection of buildings in the areas.

In the circumstances I am to request you to forward a list of the survey Nos. in the seven villages which would fall within the one mile radius referred to above.

The question may be kindly treated as extremely urgent and a reply furnished within ten days. The records accompany for reference and return with your reply.

Prohibition of buildings within one mile radius of Mysore City Municipal limits

In continuation of my letter of even number dated the 31st January 1947, on the above subject, I have the honour to state that the Deputy Commissioner, Mysore District reports in his letter No D6.C.4248 of 36-37 dated the 31st January 1947 - copy enclosed, that out of 16 villages that come within one mile range, 4 villages are becharak and 7 villages have been already included in the Municipal limits. The remaining five Village Panchayets whose names are noted in the margin have resolved that they would surrender to Government the powers vested in them under Section 29 of the Village Panchayet Act regarding the construction of buildings. The copies of the resolutions are enclosed in the connected records which accompany

1. Metagahalli,
2. Hinakal,
3 Nachawahalli,
4 Bogadi,
5 Bandipalya

2 A notification may in these circumstances be issued under Section 29 A of the Village Panchayet Act, prohibiting the erection of buildings without the permission of the Deputy Commissioner, Mysore District in the area, within a radius of one mile from the City Municipal limits as desired by the Deputy Commissioner

I have the honour to be,
Sir,
Your most obedient servant,
